

### **Allocations for memberships.**

Please note we reserve the right to make changes to this policy at any time.

- Every organisation currently in receipt of a **Major Grant** will automatically be issued 2 x Memberships. These memberships can't be increased but can be transferred to alternative members of staff due to changes in staffing responsibilities.
- Every **Time to Shine** Leader and their Manager will be issued a Membership, each. If the Time to Shine Manager already has a RankNet login, we will not issue a membership to an alternative member of staff.
- Every **Rank Aspire** Leader and their Manager will be issued a Membership, each. If the Rank Aspire Manager already has a RankNet login, we will not issue a membership to an alternative member of staff.
- Every **School Leadership Award** Holder will be issued a Membership.
- **Match Trading™** organisations will receive a maximum of 2 Memberships. 1 Membership will be issued per named participant on the programme, according to the Match Trading contract. Due to some organisations having 2 named participants, 2 Memberships would be issued in this instance.
- **Profit for Good** organisations will be issued 1 Membership to the key P4G contact. If this contact is already a member of RankNet, the Membership should not be re-allocated to a different member of staff.
- **Repayable Grant** organisations will be issued 2 memberships. If they are already RankNet members due to a previous grant, no new memberships will be issued.
- **Winston Churchill Memorial Award Winners (Economy & Enterprise category)** will be issued with 1 membership per award winner. These will be issued upon request by the individual.
- **Executive recommendations** of non-network individuals/organisations will be issued memberships on a case-by-case basis. Unless instructed by an Executive, no extra memberships will be issued to non-network organisations.

### **RankNet memberships will not be issued to the following:**

- Additional members of staff at RankNet member organisations in order to access Opportunities.
- Pebble Grant recipient organisations will not be issued a Membership. The only exception to this is upon Executive request.
- Friends and family of current RankNet members.
- Technical support at member organisations (unless they are eligible members according to the policy above).
- Rank-funded Hospice UK grant recipient organisations.
- Organisations who are not known to the Foundation, or not in receipt of direct Rank funding.

### **Termination of membership**

Membership of RankNet is dependent on engagement and activity. RankNet is not exclusively for currently funded projects/individuals. All members may remain on RankNet so long as they fulfil the following:

- Members log into the platform at least once every 6 months.
- There is evidence of engagement with the network at least once per year (through commenting/submitting a blog/signing up for events etc.).
- Members abide by the terms and conditions provided at the point of signup (see Terms and Conditions).
